

Compuscan

Academy

a CSH Group company

Academy

Companies are increasingly looking to improve customer experiences, but often do not know where to focus. By empowering your greatest resource, your employees, you can increase profits, mitigate risk, improve employee productivity and create impactful customer experiences. Ensuring that your employees are up to speed with all the latest developments in the credit space is key to achieving this.

Our proven approach

Our specialised credit academy offers training programmes that address the skills requirements of companies in the credit and financial services industries, at all stages of the consumer credit life cycle. We have an experienced team with a pristine track record, and have accreditations and memberships with all the leading industry bodies.

Our services

Our award-winning team of qualified educators offer full support and services. Our training solutions focus on:

- Credit management
- Loan officer
- SME and micofinance
- Debt review / counselling
- Business and entrepreneurship
- Accounting and finance
- Generic management
- Debt recovery
- Legislation and compliance
- Leadership and management
- Office management & admin
- E-learning
